The Skunk

Unit 10

The kids were camping by the small pond. They each had to do a job that was on a long list. Some of the jobs were fun. Two kids had to put up the flag, which was the best task of all.

Then the kids went for a swim and sat on the grass in the sun. Next, the kids went on the big swings that were down at the end of the camp. At last the day was over.

They went into the tent and slept. The kids sat up one by one. "It stinks!" said the kids, "We smell a skunk!" The kids ran out of the tent in a rush. What did they see? A skunk was on a stump! "Help!" The kids were fast. They ran back into the tent and hid. The skunk did not **go** in **so** they rested at last.
