

IF YOU HIT,  
IT'S TIME  
TO QUIT!

An early-  
learner story  
& activity book

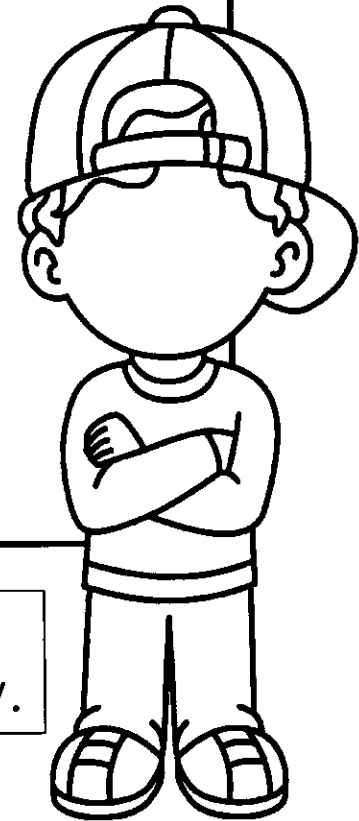

The DE **A+** NE'S List

I get mad and  
I want to hit!

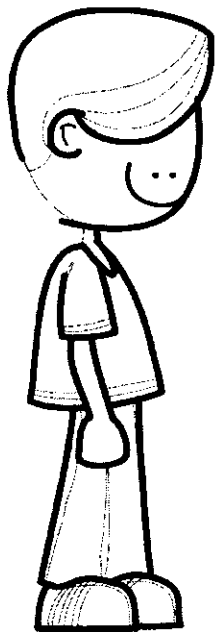

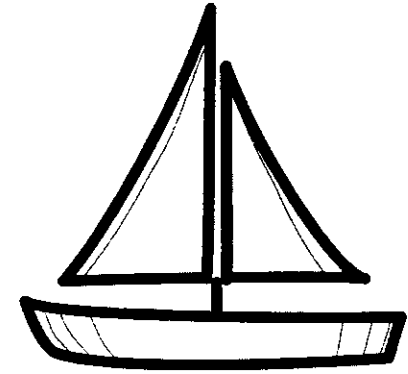

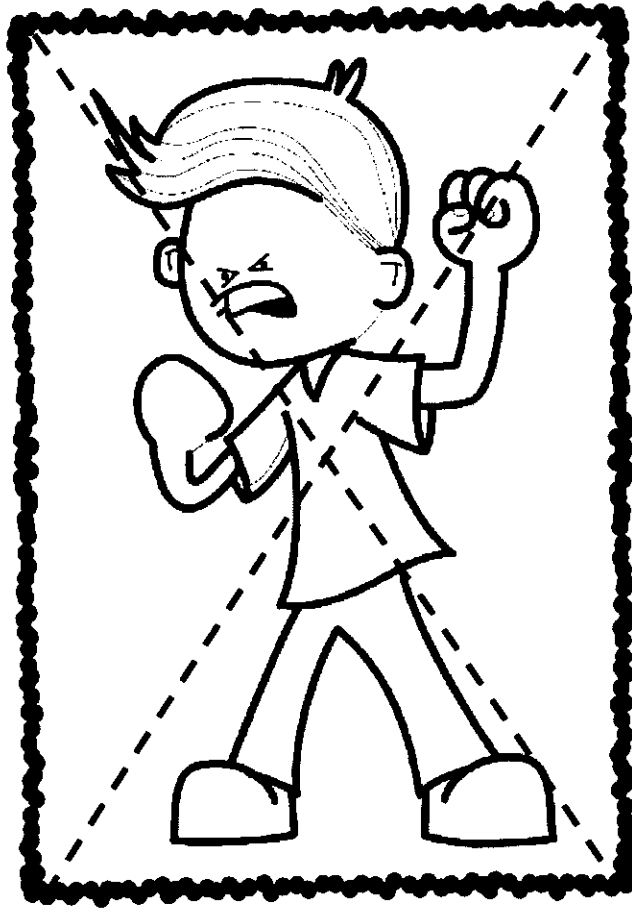

My teacher says,  
“it’s time to quit.  
It won’t help  
to throw a fit.”

Draw a mad  
face on the boy.

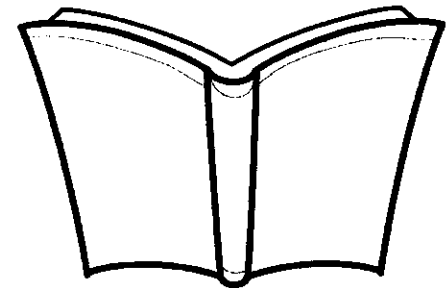

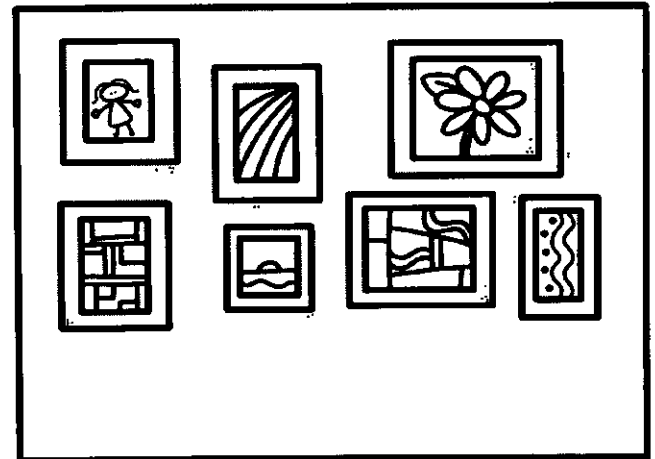

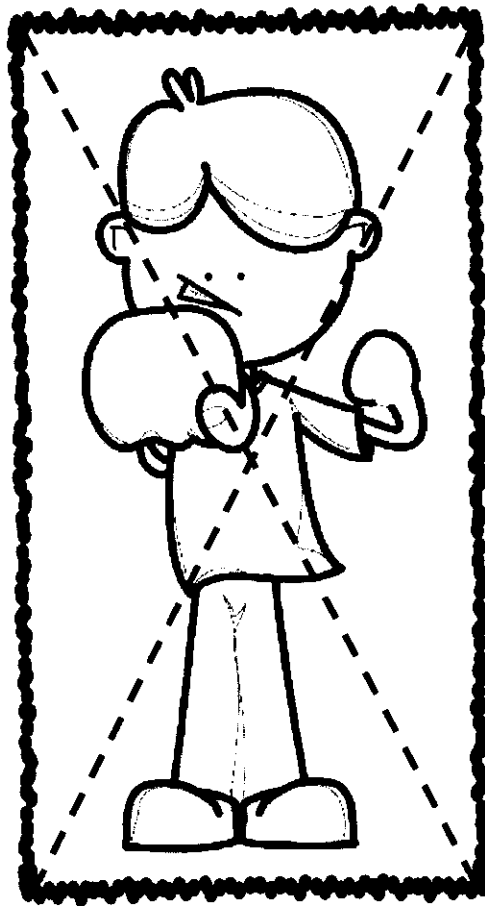

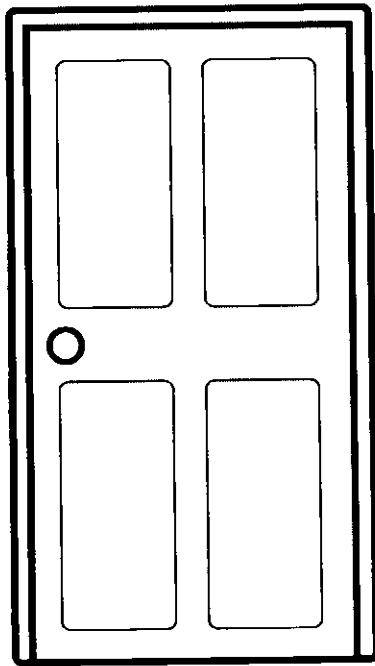

Do not hit girls.  
Do not hit boys.

Do not hit things  
like books and toys.

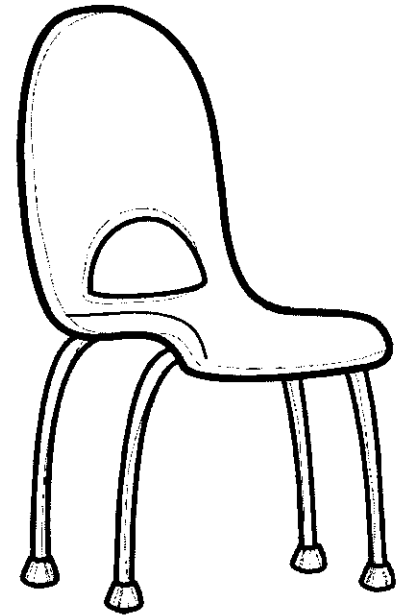

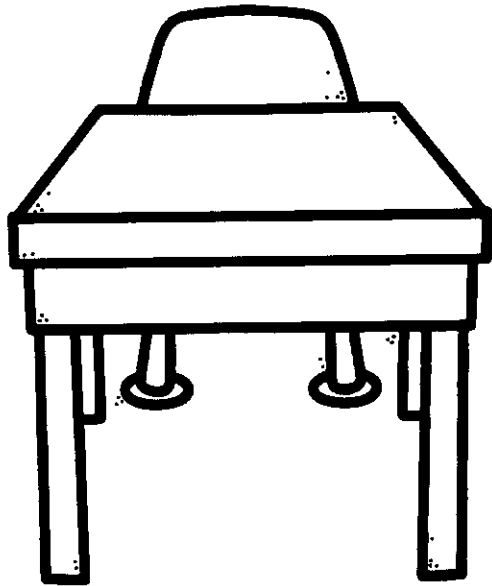

Do not hit doors.  
Do not hit walls.

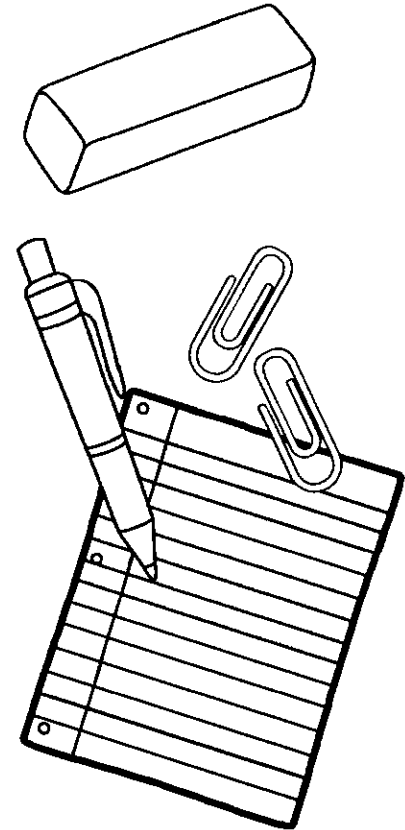

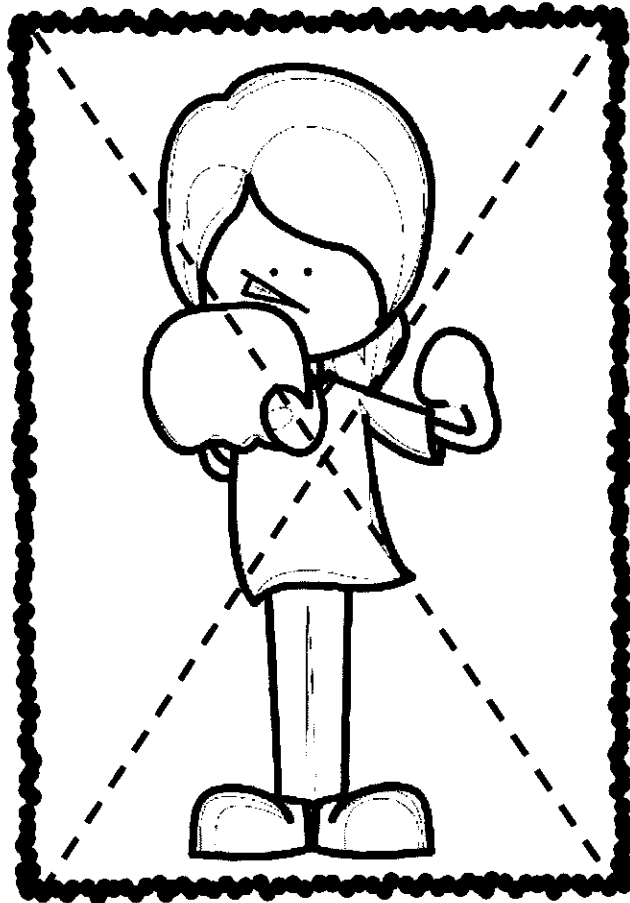

Do not hit  
anything at all.

Do not hit desks.  
Do not hit chairs.

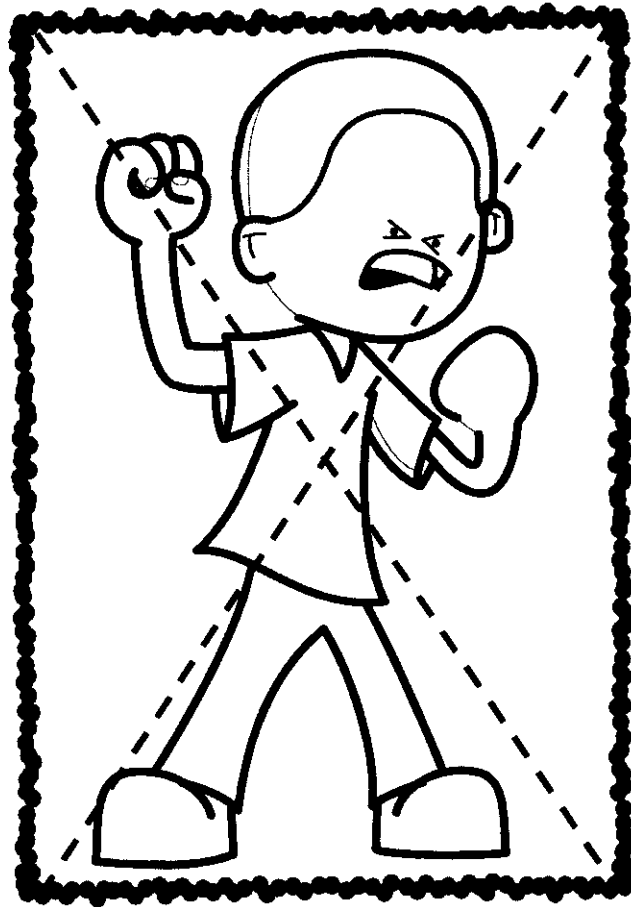

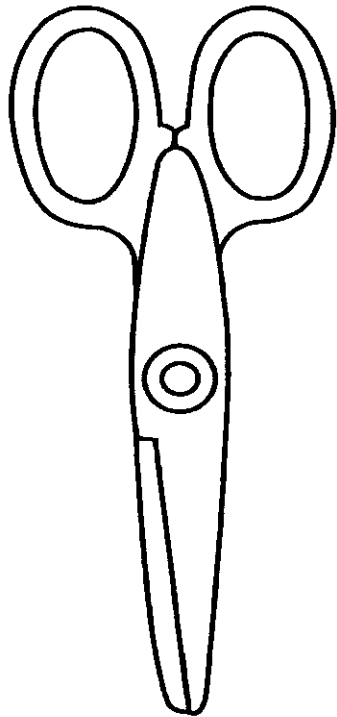

Do not hit  
furniture anywhere.

Do not hit pencils.  
Do not hit supplies.

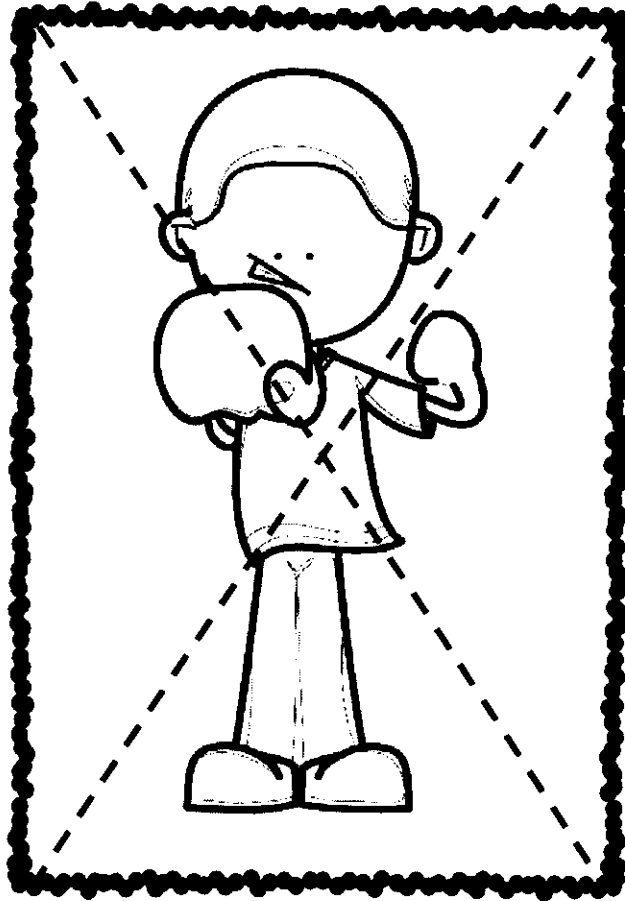

Hitting at school  
is never wise.

Do not hit scissors.  
Do not hit glue.

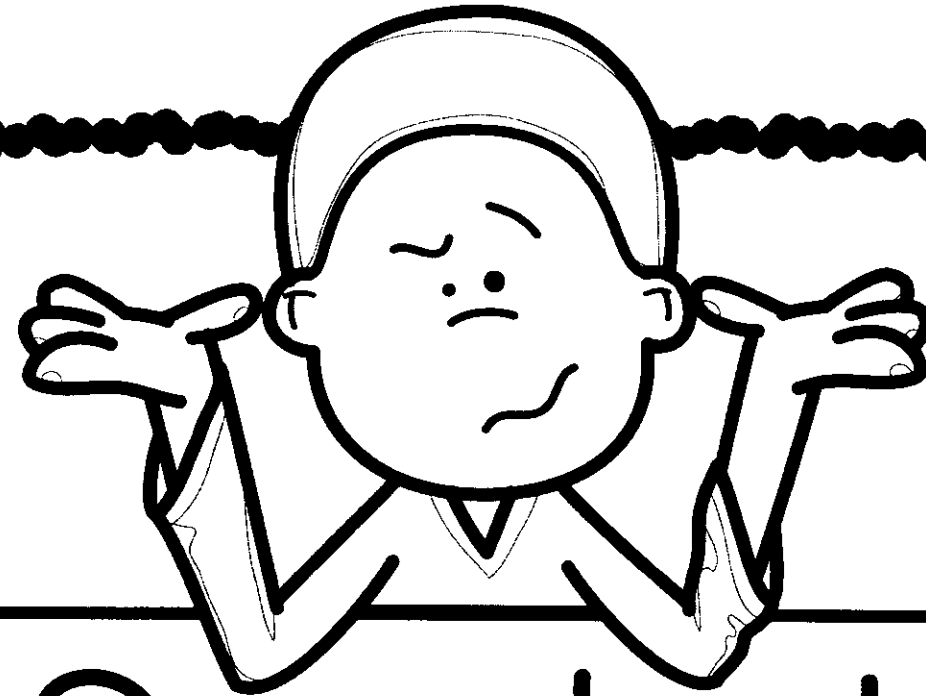

Hitting is not  
what we do.

Do not hit me.  
I won't hit you.

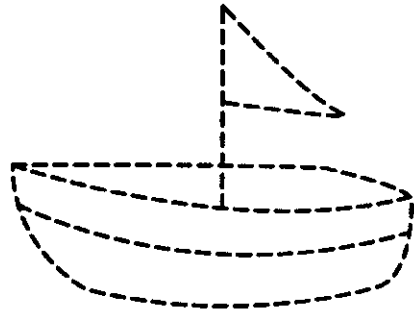

Hitting is never good!  
It's true.

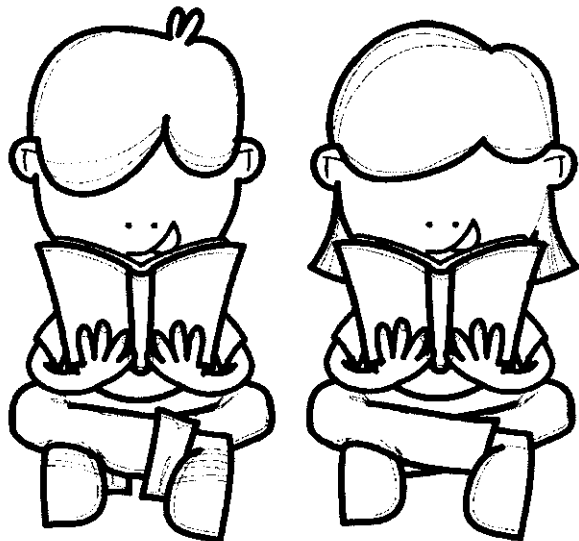

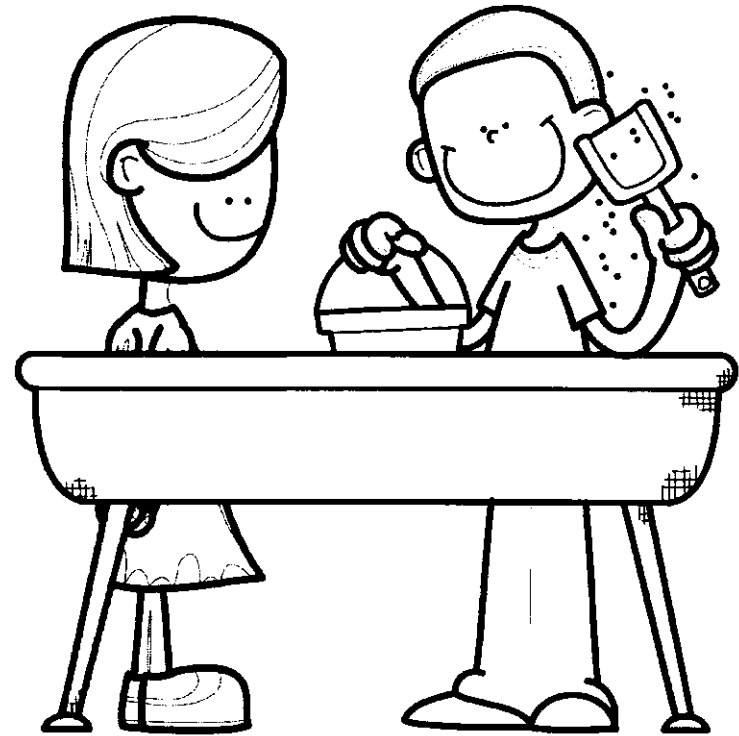

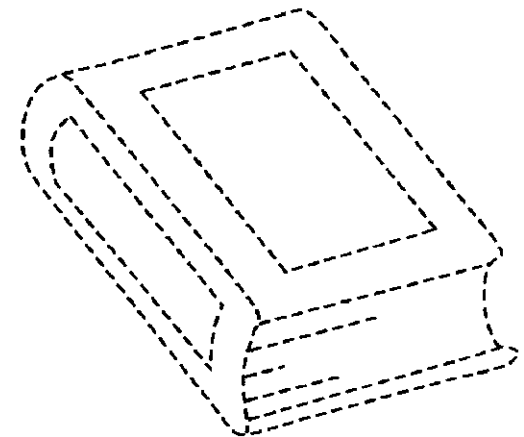

So what  
do I do?

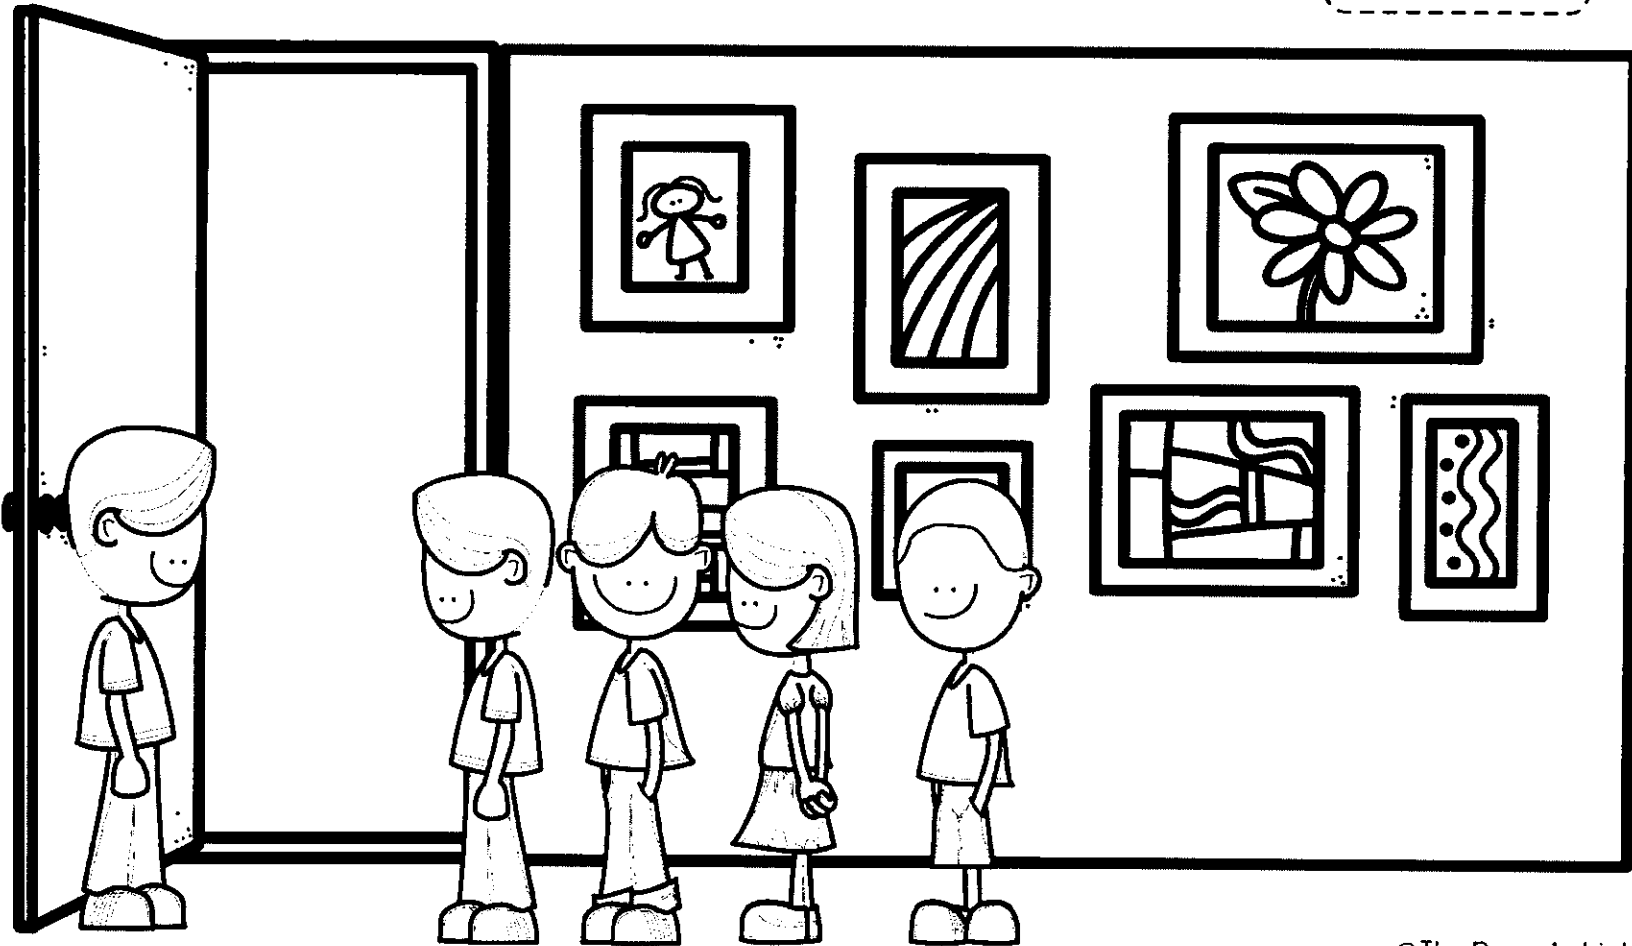

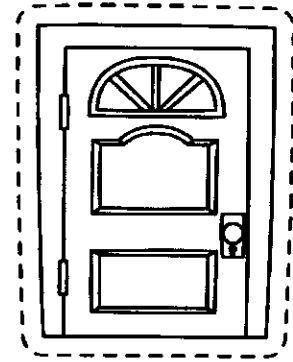

Do play with girls.  
Do play with boys.

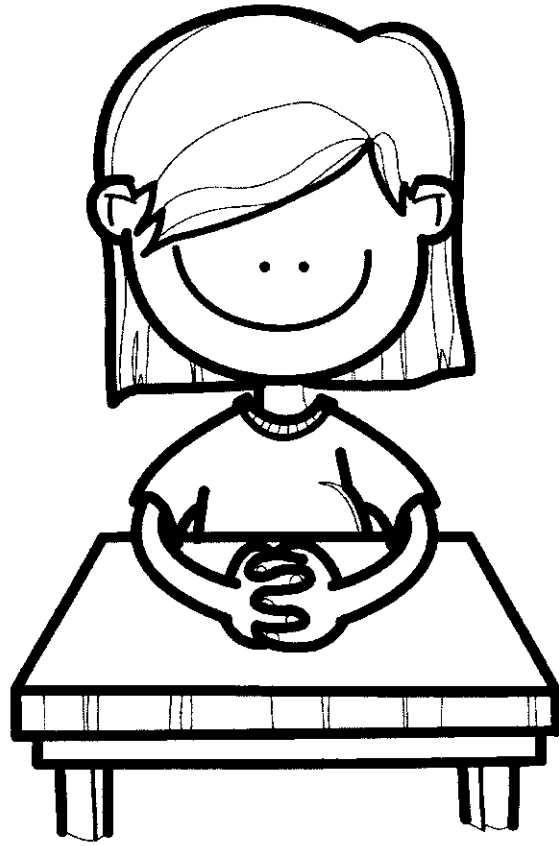

Do play  
with things  
like books  
and toys.

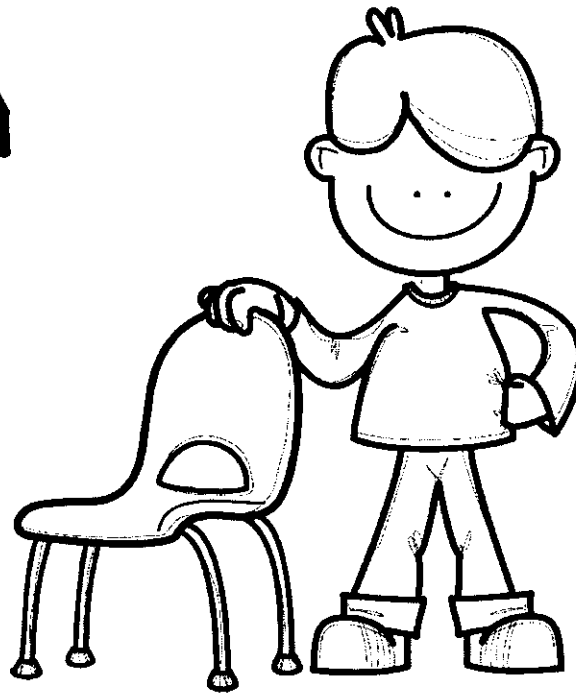

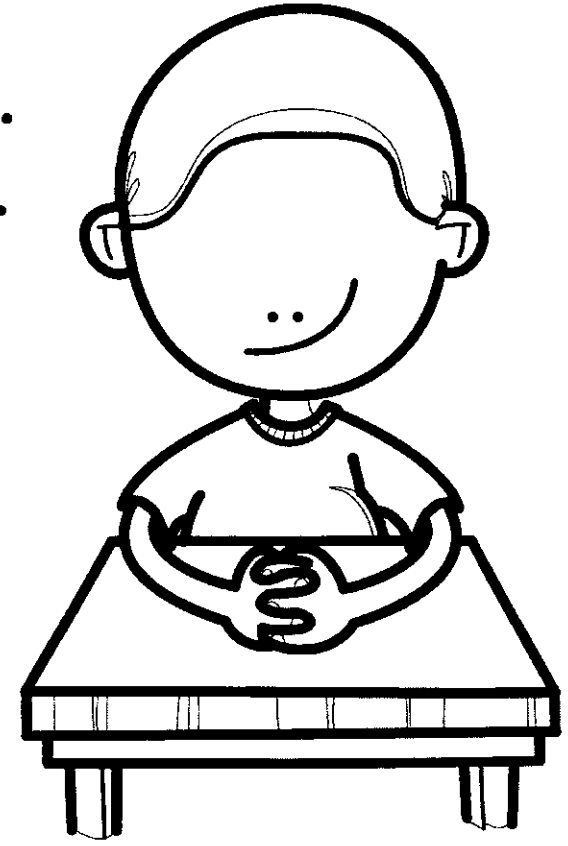

Do open doors. Do look at walls.  
Do behave well in the halls.

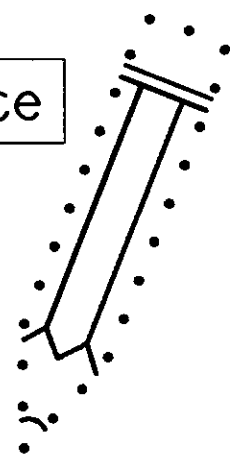

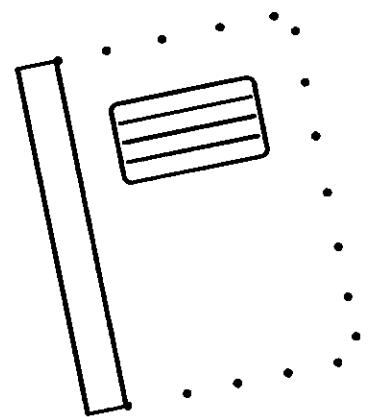

Do sit at desks.  
Do sit in chairs.  
Do show good  
manners  
everywhere.

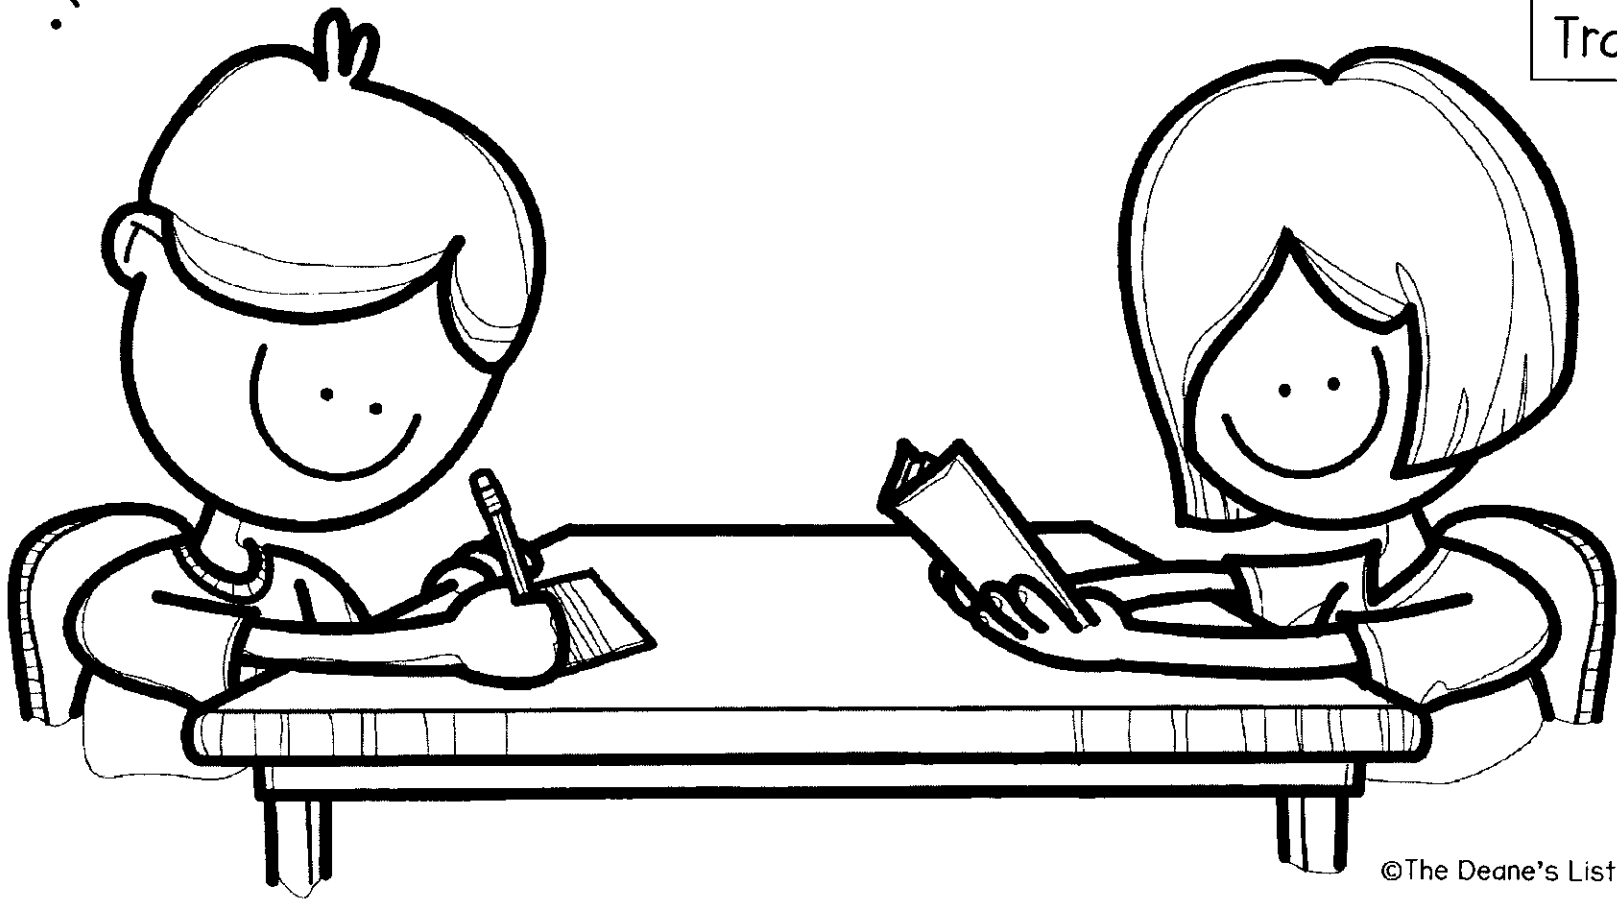

Trace

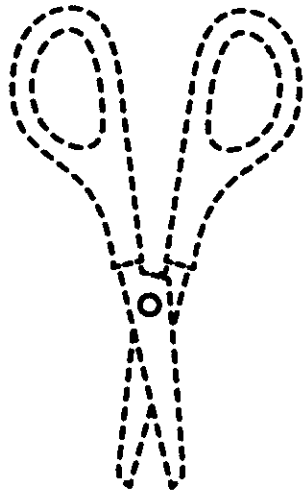

Do write with pencils.  
Do use supplies.  
Doing your work is  
always wise.

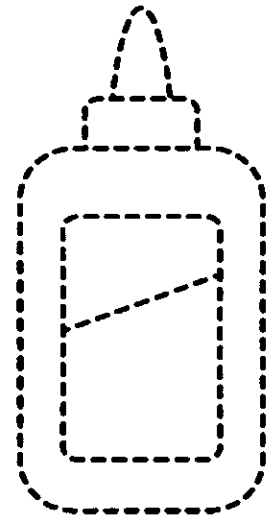

Trace

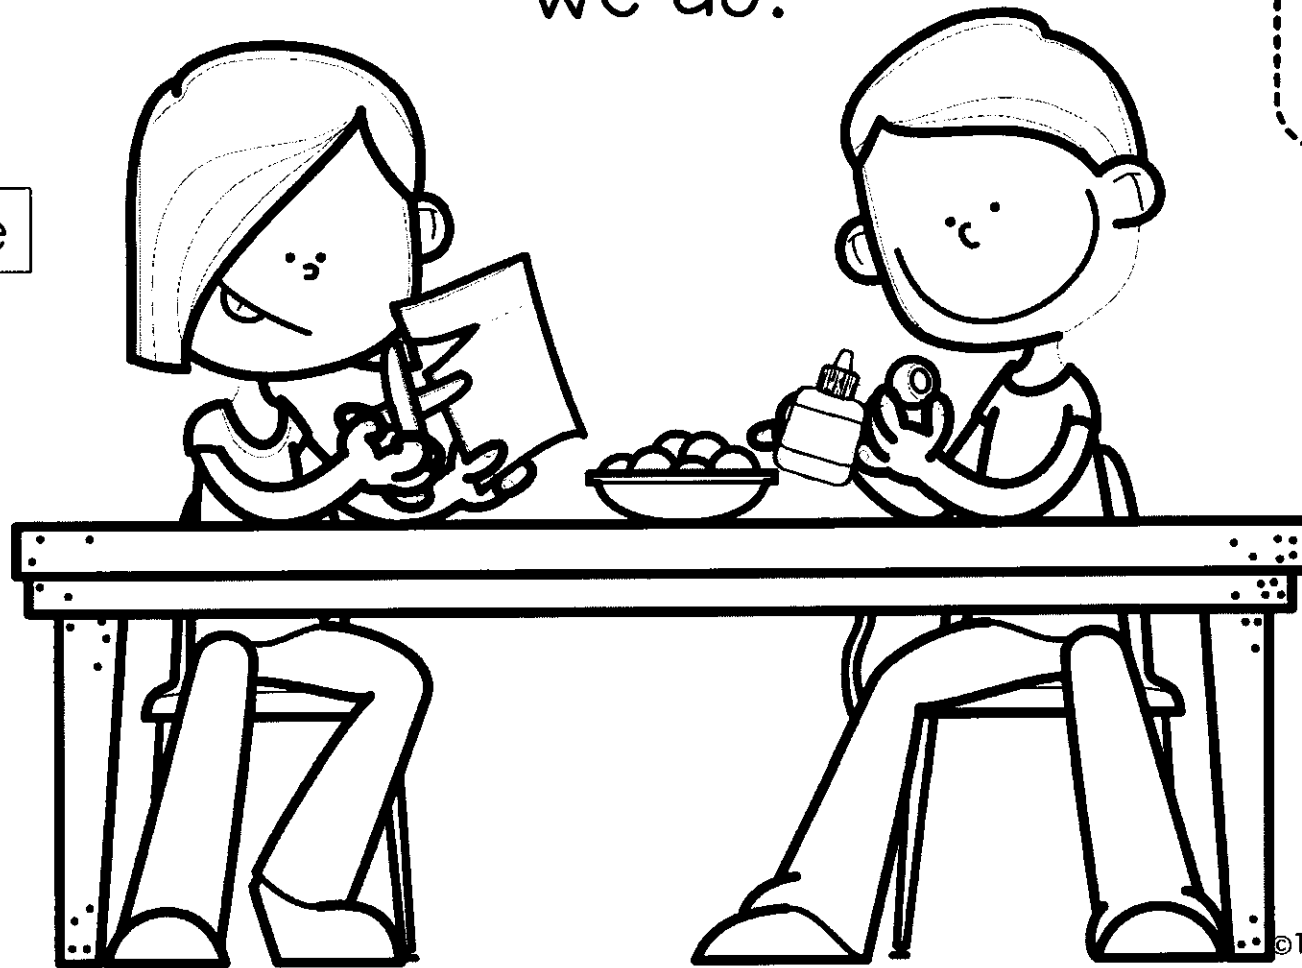

Trace

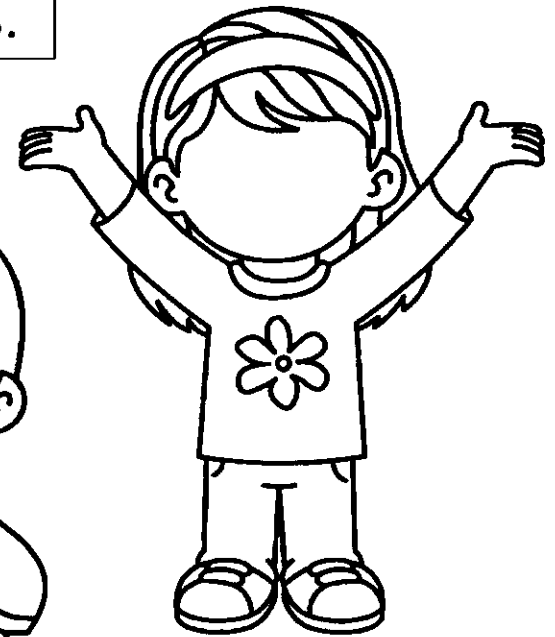

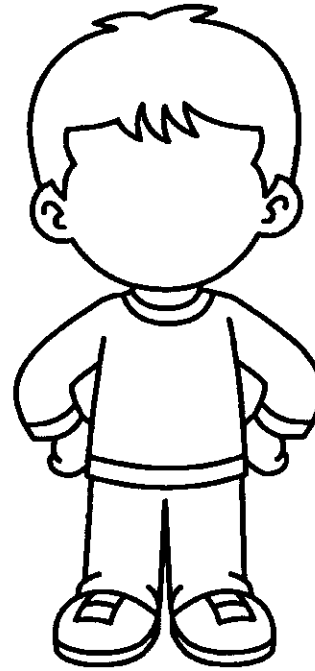

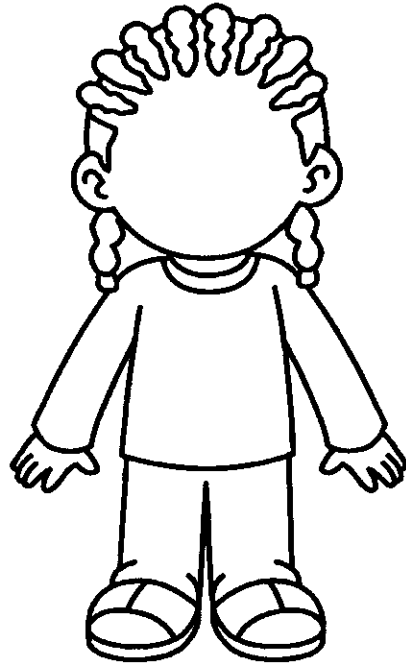

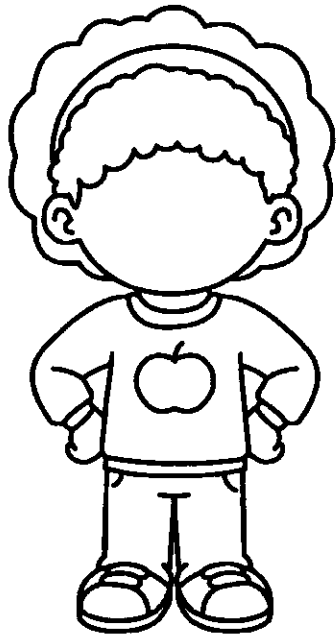

Do cut with scissors.  
Do squeeze the glue.  
Working hard is what  
we do.

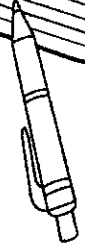

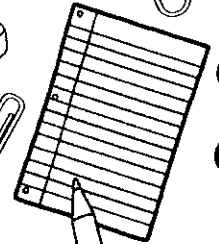

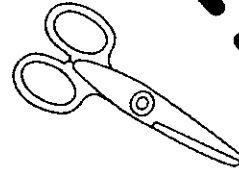

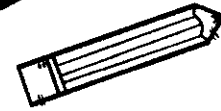

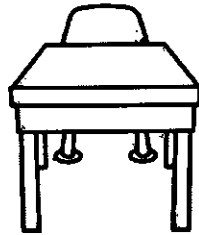

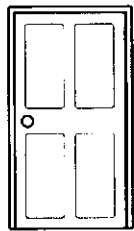

Trace

Draw happy faces on the kids.

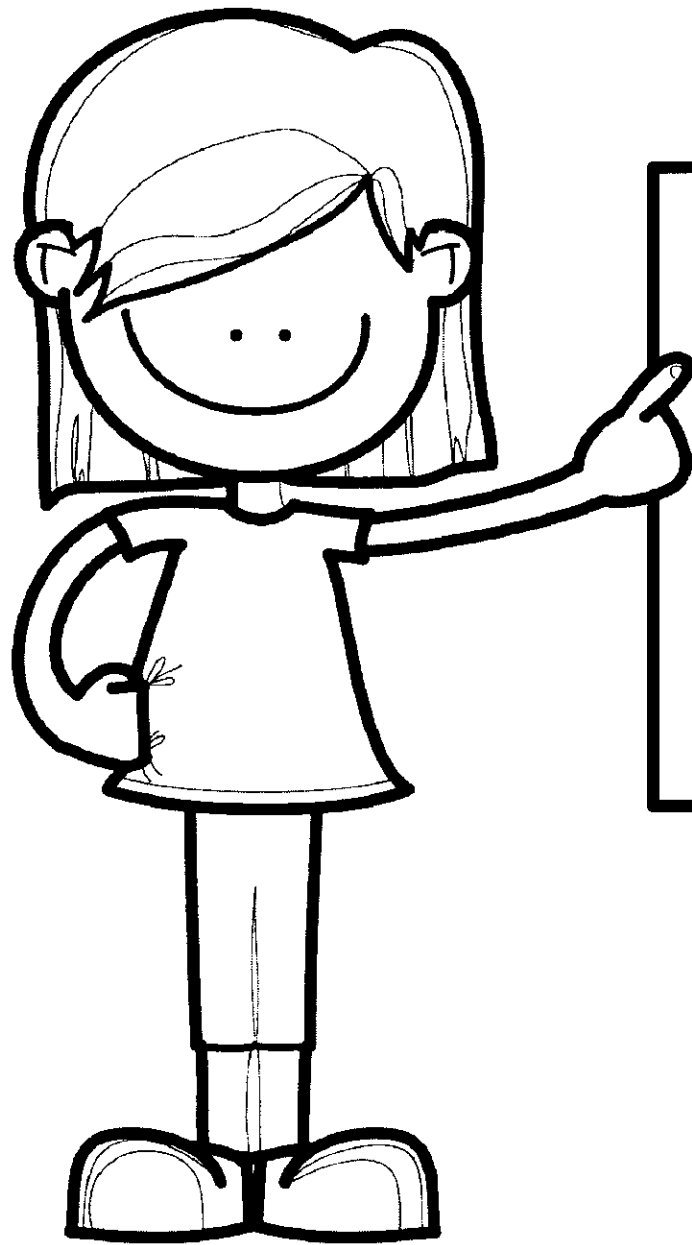

Do help me and I'll help you.  
Now we know just what to do.
